A MESSAGE FROM PS CRAIG

Advance is our way to resource mission at Gateway. Mission remains the number one priority of Jesus. I am so thankful you carry this same heart. Your response to our previous campaigns over the past two years has been overwhelming. Thank you for your generosity. My heart is you would continue to extend your heart to the nations and see ADVANCE as more than just a giving campaign. Rather, it is an opportunity to partner with the Father's love for the world.

Gateway's vision: EVERYONE, summarises the reach of the love of God. ADVANCE has touchpoints in our local region and expands into overseas nations such as Cambodia, Sri Lanka and excitingly, a new nation in Italy. We all have an opportunity to co-labour with Jesus and His com-mission. My prayer is you would partner with us, and consider how you could give to help us disciple our city and the nations.

HOW CAN I ADVANCE?
